BARGUR-635 104.

From

S. Gayathri Devi,

HOD, Department of Nutrition and Dietetics,

HOD I/C, Department of Chemistry,

Government Arts and Science College for Women ,

Barugur-635104.

Respected sir,

Sub: Request to conduct training in vermi composting to our students-Reg.

We, the department of Nutrition and Dietetics & Chemistry, would like to conduct a training program to our students (164) regarding the preparation of vermicompost as a measure to recycle the biodegradable solid waste produced in our college campus. In order to do this we request your experts to come and train our students for the same on 25/10/2019 at 9 A.M.

Expecting your positive reply.

Thanking you,

Date : 18.10.19

Place: Barugur.

Yours faithfully,

S. GAYATHRI DEVI

Training in "VERMI COMPOSTING"

25.10.2019

Department of Chemistry and department of Nutrition and Dietetics organized a training program in "Vermi composting" on 25.10.2019. This training was given by Mr.Ramesh Babu, Subject Matter Expert from Krishi Vigyan Kendra(KVK), Krishnagiri about how to use biodegradable waste of vegetables, fruits and waste leaves and how to do vermi composting and its advantages. Head of the department, 7 guest lecturers and about 164 students of department of chemistry and department of Nutrition and Dietetics of our college participated in this program enthusiastically. Students actively interacted with the resource person and the resource person clarified the doubts about vermi composting process.

Entrepreneurship Development Program (21.02.2019)

The department of Nutrition and Dietetics conducted one day program titled "Entrepreneurship development program - Training in food product development" to the students of Government Arts and Science College, Hosur on 21.02.2019 in response to the request received from that college. Totally 23 students and 2 faculty members participated in this training program. The participants were briefed about the preparation of preserved products namely tomato ketchup and mixed fruit jam and bakery products namely biscuits and cakes. They were given pamphlet containing the procedure for the preparation. A hand on training was given to them for the preparation of these products by our staff members. All the students from Hosur enthusiastically participated and gave a positive feedback about this program. At the end of the program, certificates were distributed to all the participants.

Skill Development Training Program – I (Food Preservation)

Date : 30.03.2022

The IQAC, EDC and the department of Home Science jointly organized a "One Day Skill Development Training Program in Food Preservation" to our college students on 30.03.2022. This skill development training was imparted to the students with the objective of developing the entrepreneurial skill in the students. This training program, which was conducted in two sessions consisted of preparing value added products of tomatoes such as tomato pickle and tomato ketchup in first session and preparing pincapple squash and mixed fruit jam in the second session. The benefit of seasonal availability of ingredients was enjoyed as the main ingredients chosen were seasonally available at a cheaper rate now. The products were chosen for preparation in such a way that they were liked by people of all age groups.

Totally, 42 students from various departments had registered and participated in this program. This was coordinated and conducted by the faculty members of department of Home Science. All the products prepared by the students came out well and liked by all. At the end of the training program, certificates were distributed to all the participants by our principal Dr. B. Pramila madam. The participants thanked the organizers for arranging such a useful program and requested to conduct many such skill development trainings in future.
