Report of seminar "Emerging trends in therapeutic nutrition" (2019-2020)

The department of nutrition and dietetics organized one day seminar on "Emerging trends in therapeutic nutrition" on 09.03.2020. The chief dietitian of "Neuro Foundation", Salem Mrs. Komathi Nandhesh was the resource person of the day. She addressed the students about the recent trends in weight reduction, their pros and cons and various other types of diets prescribed by the hospitals for therapeutic purpose. She also highlighted the various job opportunities available to the students studying Nutrition and Dietetics and motivated the students to equip themselves to grab these opportunities. Nearly 100 students of the department of Nutrition and Dietetics of this college along with 7 staff members attended the program.

CAREER GUIDANCE PROGRAM (2021-22)

The department of Nutrition and Dietetics organized a “Career guidance program” to the final year undergraduate and postgraduate students of the department on 24.05.2022 in English language lab at 11.00A.M. In that program, Mrs. Sharona Stalin, Corporate Dietitian from Proodle Hospitality Services (P) Limited, Chennai was invited to advice the students about various opportunities available in the field of Dietetics and the means of creating their own opportunities in today’s scenario. Ms.R.Suganthi, who is one of our proudest alumni, having a successful career in medical coding, was also invited to introduce the field of medical coding as a wonderful career available to our students. She also explained about the training programs essential and other essential things needed to enter into the field of medical coding. Nearly 110 students and 6 staff members participated in this very useful and informative program. All the students were interested and enthusiastic to get exposed to diverse job openings available to them as soon as they complete the program in the college.
